Re: 2016 Sewer Cleaning Project Bid Evaluation

Dear Ken,

We have performed a review of the bids received for the above referenced project. There were no mistakes in the bids.

Twin D is the low bidder and based on our review and positive prior experience with Twin "D" Environmental, it is our recommendation that the bid for the 2016 Sewer Cleaning Project be awarded to Twin "D" Environmental.

Sincerely,
Caldwell Richards Sorensen

Total				\$ 43,420.00		\$ 46,110.00		\$ 64,440.00

Vernal Pioneer Day Celebration

1. Free community event for Pioneer Day:

We are creating a family friendly event that will give people a reason to stay in Vernal for the 23rd of July, in celebration of Pioneer Day.

Raising a family in Sevier County we look forward to both the 4th and 24th of July because of all of the fun activities there are held in the city park. Sadly, upon moving to Vernal I was disappointed to find that similar festivities were not held here. Our hope is that in partnership with Vernal City and the Recreation District we can create something similar.

2. This event will benefit the citizens and businesses of Vernal:

Our plan is to make this an annual event that will benefit businesses and citizens alike. Any Business wishing to participate may do so by purchasing booth space. The Vernal Express will play the role of selling the booth space and promoting the event via print, social and digital media. The selling of booth spaces will cover all costs associated with the event.

With Vernal facing challenging economic times we feel it is important to have an event that people can come and participate in at minimal to no costs.

3. We need the cities help to make this event happen:

We have 94 days to make this event a success. How can Vernal City help?
